

# Mason Care Network

Providing information and support to exploratory students, those who are changing majors, those who find themselves unable to complete the requirements of their current major.  
&  
Coaching students on much more than academics...

**Effectiveness:** Coach on how well students manage and follow through on intended actions and ability to work to long term goals.

**Academics:** Coach along students performance in the classroom, including strategies to improve grades.

**School Community:** Coaching along student connection to Mason and it's resources and how they become more involved.

**Commitment to Graduation:** Coaching toward the student attaining a degree in their chosen institution.

**Career:** Coach on career goals; including mapping a career path and assessing skills and strengths.

**Managing Commitments:** Coaches students along their ability to responsibilities outside of their academics.

**Finances:** Coaching students on how to deal with a plan on how to pay for school, now and in the future.

**Health and Support:** Coaching students on how to care for themselves and build a personal network.
